## ***CUSTOMER APPRECIATION REWARDS PROGRAM***

Referrals have always been the number one source of new clients for Gutter Master. When a quality job is done professionally and courteously, the benefit is destined to be positive word of mouth. We would not be the successful company we are now if it wasn't for the many satisfied customers who have sent new business our way.

To reward those people who have spread the good reputation of our company's quality workmanship and customer service by referring us to their family, friends, and neighbors,

Gutter Master has a great new referral rewards program to show our customers that we really appreciate the positive word of mouth that brings us new clients. Gutter Master extends a THANK YOU to any person who refers a new customer to us with a Visa Debit Card. The amount on the card can range from \$25 to \$100, and is proportional to the size of the contract of the newly referred customer. There is absolutely no limit on the amount of Referral Rewards debit cards someone can receive. As long as you keep referring, Gutter Master keeps sending you cards! Just tell your friends, family and neighbors to mention your name when they meet with our experienced sales team and sign their contract, and we'll add you to the list of card recipients! It's that simple!
